

ONE LAST CHANCE

1 Peter 2:24

“He himself bore our sins” in his body on the cross, so that we might die to sins and live for righteousness; “by his wounds you have been healed.”

Sin demands death... If you read the scriptures it says clearly that the punishment was borne for our sins through death of Christ Jesus.

The day you realise, that you have sinned and you have come to a dead end, where there is no turning back and you are in a hopeless condition; As you are weak and left with no choice other than to give-up.....**HOLD ON**...don't worry, be happy.... **look at the cross**, this is the time, when **LORD acts**.

HURRRRAY there is one last chance left....as you have, while entering the password to your bank account. If this time, it fails, then your account will be blocked. So, you have got one last chance for your life "**CHRIST JESUS**". Now if you do not turn back and ask forgiveness for your sins you will be blocked forever.

But, if you feel that you are not a sinner, then you are left with **ZERO** option. Chance is only for those who accept that he/she is a sinner, and **NOT** for those who feels, that they are not sinners. Everyone is born sinner because there are 613 commandments to follow as per Torah to fulfil, but we have a sneak-peek because of **Christ Jesus**.

Sinners, there is always a last chance left for you.

Mark 2:17

On hearing this, Jesus said to them, “It is not the healthy who need a doctor, but the sick. I have not come to call the righteous, but sinners.”

as well as in

Luke 5:32.

I have come to call the sinners but not the righteous.

Jesus Christ has not come for people who are right. HE has come for sinners. Why? because he realized, the intensity of sin they committed and there was no HOPE left, for them.

"Never worry". THE CROSS is the hope for the hopeless, not for church goers who fulfil rituals. HE has taken the sins for us and paid a painful death on the cross.

So, there is the good news for sinners... if you are a sinner, you have one LAST CHANCE left for you, and the password is "CHRIST JESUS". Don't get blocked to the way of Eternal Joy and Happiness. Confess, repent and don't look back. Sanctify yourself. Life ahead is brighter and safer. HE will not leave you nor forsake you.

REMEMBER THE PASSWORD: CHRIST JESUS

SHALOM!
