

## Are you the medium?

Many a times, we might have experienced that, as one person enters the shop, where there is no customer, suddenly you see a swarm of customers dropping in. The shop which was experiencing “no sale” in turns to be “out of stock” in no time. LORD bless others, for the sake of HIS chosen people.

In **Genesis 39:5**, we see, LORD blessed the nation through Joseph. Potiphar appoints Joseph as a steward over his house, then LORD blesses Potiphar for Joseph’s sake. Later, we again see Joseph established over the house of Pharaoh and he becomes the reason for blessing the nation by providing grain.

### Genesis 39:5

**From the time he put him in charge of his household and of all that he owned, the Lord blessed the household of the Egyptian because of Joseph. The blessing of the Lord was on everything Potiphar had, both in the house and in the field.**

Similarly, we see in Abraham’s story too, Lot was saved because of Abraham, Laban was blessed because of Jacob.

So, we notice that, when Joseph / Abraham / Jacob is blessed, the blessing is not limited to them alone...the blessing is extended to all connected to them. In the family, in the society and even to the nation. HIS blessings overflow multi-fold and multi-dimensional.

Isn’t that exciting... HE is such a wonderful LORD that, the blessings you receive, is not restricted to you alone. It is all over you and spills across, to others too, as water spills over the glass, making the nearby area wet.

**Now, what should we do to be that blessed child of LORD?**

We need to build that relationship with HIM, where HE can interact with us, through HIS living word. We need to have secret conversation with HIM, spend time with HIM, to know HIS likes and dislikes, know HIS expectation of us, consult all small matters with HIM.

HE will start working in our daily needs and will do miraculous work. We will see HIS mercies in others, flowing through us. HE will make us the medium of success, contentment, blessing to others. That's how HE will use us. Be obliged, thankful and grateful every time. HE is an awesome LORD. HE is reachable to anyone and everyone.

Let's keep telling this sentence in our mind "LORD abide in me, bless me and make me a blessing to others."

**BE BLESSED, BE A BLESSING...**

**SHALOM!**
