

## Evergreen Forever

Evergreen is a positive, encouraging word. It is usually referred w.r.t to trees. We are like trees born from seed. We have a family tree and our upbringing is our root.

John 15:5

**“I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing.**

As we see in the scriptures Jesus is the trunk and we are the branches.

To keep the tree evergreen it needs water and sun for nourishment. Likewise, to keep ourselves nourished and evergreen we need **The living water** which is **The word of GOD** and **the bread of life who is our LORD.**

To keep the tree fresh and green it needs occasional pruning. Similarly, to keep us fresh and active we will have to get rid of old memories, habits and other past traditions. We might have to undergo trials, tribulations and sacrifices. Only if freed from past burdens, we can take advantage of the present.

During our trials, GOD prunes off those behaviours, that are not correct in GOD's eyes and at times, we need to do some sacrifices, to change our present situation. These changes are painful, but YES, you can be rest assured, that, GOD gives you a helping hand to come out of this.

As we see in the life of Eagle, the eagle is left with only two options: DIE or go through a painful process of CHANGE which lasts 150 days. The breaking of beak restraints itself from eating until the new one comes and becoming a prey to other animals. Plucking out its talons loses its grip or support. The plucking of old feathers is a painful process which helps in regrowth of new ones. Eagle becomes new again and is born again for a new start.

Similarly, even we might need to, undergo these painful stages, of hibernation to restore and renew us. As per HIS promise, HE will restore our health and heal our wounds.

**Psalms 51:12**

**Restore to me the joy of your salvation  
and grant me a willing spirit, to sustain me.**

**Whenever, you are going through a period of painful times.....remember the story of Eagle.**

**IT'S FOR A NEW START OF REFORMATION.....TO BE EVERGREEN**

**Shalom to all!**
