

## Value Addition

Serve others for you to be served...

Refresh others for you to be refreshed...

Forgive others for you to be forgiven....

Bless others for you to be blessed....

One of the most important teachings of Jesus Christ is to serve others.

**John 13:15**

**I have set you an example that you should do as I have done for you.**

HE has set an example that HE wants us to follow and do it for others. HE led by serving and HE loved to serve.

Serving others does not make you low in front of others. For a moment... think about the person who served you the most...? Well most of them would say "My Mother". Moms are the greatest example of servanthood as they naturally serve the family. Do you have a lower view about your mom? NO DEFINITELY NOT...We all have a higher view about our mom...because, she is above all?

Serving others has an opposite effect on them from what we think it will. The person who serves always has a higher view. We get drawn to people who serve others sacrificially...not repelled. Moreover, don't get boggled at others' views. Keep doing things that is right in LORD's view because HE keeps a note of things that you do in HIS name.

Every act of yours is added in your account ledger as well as adds value to people. So, there is a double entry. Your one good act can motivate others to do the same.... then on... you become the master of it. Masters always seek ways to add value to others.

Serving does not only mean “giving”.. NO.. It can be “Caring for one another”, “praying for one another”, “encouraging one another”, “Helping one another”, “Counselling one another”, “supporting one another”, “Loving one another” and many more...

Jesus was a Master-servant. HE did all that we could think off. HE always added value to others with HIS unconditional, unending LOVE. HE did not wait for any approval or anything. HE saw the need and fulfilled it ON THE SPOT. HE always walked with HIS disciples. HIS compassion, HIS kindness developed the confidence and motivation in HIS people.

HE added value to everyone HE met.

Let's VALUEADD BY SERVING OTHERS. :)

Shalom to all!
